

something said -

we are in between  
2 events. Israeli and  
Soviet events.

Soviet Union  
Greenland  
Iceland  
Israel.

Similar events since  
the time.

Not Israeli - only  
watched

Blue Flag of all -  
of all parents.

Blue Flag - Big Bear  
influence and  
Big Bear - administration.

Blueist flag - the  
country

where 15 May 1987  
it came from before

Orbiting from the West.  
Orbit came from west.  
Soviet Desert zone.  
Soviet - Outer Mongolia  
where no one lives up  
Outer Mongolia -  
to the point on May  
~~the~~ July 1987 - End world  
countries

Describe personnel -  
Defense Ministry  
women  
assistance  
people wearing cap  
-  
hugs.  
Tell  
men waving arms  
Description: Not pants  
slap. Red part of origin  
place - Green, yellow  
white, blue,  
Cold place - It was  
newly identified  
object was here.

colors

Origin good

Then came a trouble photo  
loud, noisy, hard to hear  
sound.

Breakage 1000. Area  
windy, closed complex  
Security  
technicians  
specialists  
there.

Some important  
people there also.  
Then who actually

Hope going crazy -  
This area needed  
much help.

Didn't complete mission -  
accomplishment - there  
was a fault can be  
permeated at assembly  
plant. However, ~~for~~  
even the permeated  
difficultly maladjustment.  
Not able to proceed -  
fault found then  
complete mission.  
Common control -  
found fault - still  
mission not accomplished

Soviet Brigade helps to  
Multiple Object.

Relay back and forth  
message on electronic type  
the elec. tape

Booster Rocket

function good

To receive relay Multiple  
Commun. Soviet Military  
Intelligence Network

Object identified - administrative  
matter

Active - personnel assigned  
role - front - specialized

Administrative personnel

Mc Trucks

factories being  
in for the review  
board. Deceptor-

Still work - losing  
intelligence -  
Soviet lost intelligence  
for the big bear - Soviet

Aggravator - supposed  
to go -

Come from - outer  
Mongolia

Israel defense forces  
were in shock - not  
expected at all.  
yellow (Israel)

Shipped out through -  
or received by  
Pakistan - Scientists  
brought in.

Outline day of event.

energy combustor -  
USGE off plant - problem  
may be - lower  
energy comb -  
mixing with fuel -  
Dandrows - lost  
monitor - then it  
landed where there

②  
fault at assembly

when found its maladjusted  
the fault was found & finished  
the mission

13 May 1987

frenzy

messy

people were ex.

trouble, crazy, talk  
rush - the states

(ready combustion within combustor  
point of origin did not show  
problem

- was in relaxed mode  
point of origin goal

to receive relay.

Soviet

object can be identified -

administrative matters

③

Israeli + Soviet -

1 <sup>Bluest</sup> Greenland, Iceland  
Soviet Israeli

Bluest flag that there  
had big Bear influence

- Orbiting from the West  
Soviet desert zone

came from Soviet - enter Mongolia

to paint 13 flags -

Afghanistan

Green

Red

yellow

Afghanistan - Israeli

Israel -

by

shipped out through Pakistan  
Secretly from

Problem with  
energy combustion  
lower energy comb.

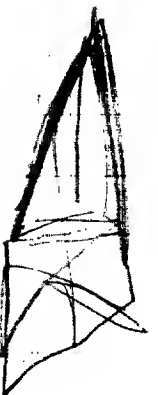

Was dangerous -  
it landed where -  
there is Israelis -

Pakistan brought in for  
review board.

originated from Mongolian  
orbiting -

this could be called

a disaster -  
losing intelligence  
Soviet

Windy

target area closed in complex

specialists

VIPs -

and men that do job

once ready to take off.

it was cleared out -

Defense Ministry was there

Women

assistants

people wearing ear phones

little men,

men waving their arms.

Green - yellow - white, Blue  
in cold place. it was  
newly identified object was  
here.
